Branch General.

Subject.— Complaint of Mr. V. P. Sadasiva Rao, Honourary Sub Assistant Surgeon that Khillat was not given to him on the occasion of the Installation of H. H. the Maharaja, although his pay was Rs. 100.

Correspondence ending with letter No. 110 dated 3d March 1904 from the Palace Controller —

Dewan's order, 12th Feb: 1904.

"The Eligibility of the Sub Assistant Surgeon to receive Khillat is undisputed. It has however to be explained why his name was omitted from the list and who is responsible for the omission. The Sub Assistant Surgeon having invited the notice of the Palace Controller to the omission in question in Sept: 1902, the plea of delay is not satisfactory. A more detailed report showing how the mistake was committed should be submitted. The Khillats should now be forwarded to the Sub Assistant Surgeon unless there are strong reasons to the contrary. These papers will be forwarded to the Palace Controller for needful and early action".

P. J. C.

The papers were accordingly forwarded to the Palace Controller, and his reply has been received. The facts of the case are as follows. -

The Dy Commr, Kadur Distrct (Mr. B.G. Krishnaiengar) wrote to the Durbar Bakshi (Mr. Srinivasaraja Ars) a D.O dated the 18th Septr 1902, stating that in the list previously sent up by him, of persons detained on duty and entitled to Khillats, the names of the marginally noted officials had been inadvertently omitted, and that if not too late, their cases might be favourably considered & Khillats granted to them.

As the Dy Commr did not receive any reply from the Durbar Bakshi, Mr. M. Narayana Rao (Dy Commr) addressed the General Secretary on the Subject, forwarding at the same time a copy of the D.O above referred to. (No 759 dated the 23d June 1903).

On the 2d July, this last reference of the Dy Commr, was forwarded to the Palace Controller for disposal.

The Controller states that the D.O in question was not laid before the Committee, of which the Durbar Bakshi was also a member, that after the distribution of the Khillats, several cases of omissions and claims for fresh admissions having been brought to notice, they were disposed of by the Committee in March 1903, and

that all other Subsequent cases, except that of the Manager of the Senior Surgeon's office to whom a Khillat was ordered in May 1903, were considered too late. It is further stated that Mr. Staggs one of the four officials referred to above, personally represented his case to the Palace Controller during Dasara, but that the Committee decided that as all the cases and accounts had been closed, it would not be expedient to issue fresh Khillats as they would be regarded as precedents by fresh applic

The Controller adds that Should Mr Sadasiva Rao case be decided favourab the same principle will apply to the remaining three, and requests orders of Govt in the matter.

Dated Madras, 18th January 1904.

File of correspondence ending with letter No. G.370 dated 12th January 1904 from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, is forwarded with Compliments to the Dewan for favour of consideration.

2. His Highness considers that there is some reason to think that the Sub Assistant Surgeon has not been treated quite fairly. He represented the fact of his omission from the khillat list in good time i.e., in September 1902 and it seems unreasonable therefore to withhold the khillat on the ground stated by the Palace Controller in his letter of the 29th October 1903.

2. This correspondence relates to the gift of the Khillat to officials amongst whom the Hony. Sub Assistant Surgeon considers he should have been included. It appears he considers that his standing has been lowered in the sight of his friends by his non receipt of the Khillat in question, and he feels this very keenly.

3. It will appear from the correspondence that he applied for the Khillat as early as September 1902, and again reminded the Palace Controller on 20-11-02 and 14-2-03, yet the Controller says his case came up too late! I am not versed in these

matters

matters, but to an ordinary observer the Controller's objection is not well founded.

4. As I of course sympathize with my Officers in their troubles, and as I think the Hon. Sub Assistant Surgeon's application has been possibly treated without sufficient consideration, I venture to lay the matter before His Highness for such orders as he may be pleased to pass.

The eligibility of the Sub Assistant Surgeon to receive Khillat is undisputed. It has, however, to be explained why his name was omitted from the list and who is responsible for the omission. The Sub Assistant Surgeon having invited the notice of the Palace Controller to the omission in question in September 1902, the plea of delay is not satisfactory. A more detailed report showing how the mistake was committed should be submitted. The Khillats should now be forwarded to the Sub Assistant Surgeon unless there are strong reasons to the contrary. Sir,

In acknowledging your No: 4300 Dated 2nd Instant, I have the honor to state that that it was stated that the Deputy Commissioner of Kadur, the late Mr.B.G.Krishniengar, had written on 18th September 1902 a D.O. to the Darbar Bakshi, bringing to notice the claims for Khilat of 4 of his subordinates named in the margin, who were " inadvertently " omitted from his previous list rendered to Government. This D.O. was not laid before the Committee, of which Mr. Lingaraj Urs, the Darbar Bakshi, was a member. These names were of course

1. Mr. V.P.Sadasiva Rao, Honorary Sub-assistant Surgeon, Mudigere, pay, ₹100/-	ly " omitted from his previous list rendered to Government. This D.O. was
2. Mr.Mohamed Nizamudin, Head Quarter Inspector of Police, pay, -- --₹100/-	
3. Mr.H.Ramiah, Forest Ranger, Lakvalli.(Now Sub-assistant Conservator) pay, ₹100/-	
4. Mr.A.M.Staggs, Head Clerk,Kadur District Deputy Commissioner's office, pay, -- -- -- ₹120/-	

not to be found in the statements received from Government. Khilats were issued only to the guests whose names were inserted in the Government lists; as apart from those of the Palace.

2. After the distribution of the Installation Khilats, notices of omissions and claims for fresh admissions continued to pour in so thickly that the Committee finally disposed of all such cases in March 1903. Subsequent cases were treated as too late. Only one case was made an exception of, Viz: that of the Manager of the Senior Surgeon's office, to whom a Khilat was ordered in May 1903.

3. It was not till July 1903 that the cases referred to in para 1 supra came to notice. With your No: 122/12 Dated 2nd July 1903 was forwarded a copy of Mr.B.G.Krishniengar's D.O. Dated 18th September 1902. Mr Staggs had come to Mysore last Dasara and personally represented his case to me. But the Committee decided that as all the cases and accounts had already been closed. it would not be expedient to issue fresh Khilats, as they would be regarded as precedents by fresh applicants.

Should the case of Mr. Sub-assistant Surgeon Sadasiva

Sadasivarow be decided favourably, the same principle will in my opinion be applicable to the other 3 claimants. The orders of Government are awaited in the matter.

5. The original papers received with the endorsement under reply are retransmitted.
